## **Baby I Love Your Way**

**Atlantic Starr** 

Shadows grow so long before my eyes And they're moving across the page Suddenly the day turns into night Far away from the city But don't hesitate Cos your love, your love won't wait, oh no, no

Ooh baby I love your way, every day Wanna tell you I love your way, every day Wanna be with you night and day Hey, yeah, I love your way

If I leave here tomorrow Will you still remember me For I must be travelling on now There's so many places I've got to see

But if I stayed here for good, girl Things just wouldn't be the same Cos love is free as a bird now And this bird will never change And this bird will never change

Shadows grow so long before my eyes With the help of some fireflies I wonder how they have the power to shine I can see them under the pine But don't hesitate Cos your love, your love won't wait

Ooh baby I love your way, every day Wanna tell you I love your way, night and day Oh baby I love your way, every day I wanna tell you I love your way I love your way Wanna tell you I love your way Oh baby I love your way, every day Wanna tell you I love your way, night and day Oh baby I love your way, every day, every day Wanna tell you I love your way, every day, every day
