

# If Your Heart Isn't In It

Atlantic Starr

It's a fragile situation  
It could fall apart at any time  
And none would be the wiser  
Except you and I

It seems that we stopped talkin'  
Like we're afraid to disagree  
And after all we've been through  
Can we still be that naive?

If your heart isn't in it  
Why can't you tell me so?  
If my heart wasn't in it  
I'd have gone long ago  
If your heart isn't in it  
Why keep me hangin' on?  
Just tell me and I'll be gone  
From your life

You treat me like a stranger  
As if I wasn't there  
Oh baby, I waited for a miracle  
To make you show that you care

If your heart isn't in it  
Why can't you tell me so?  
If my heart wasn't in it  
I'd have gone long ago  
If your heart isn't in it  
Why keep me hangin' on?  
Just tell me and I'll be gone  
From your life

If your heart isn't in it  
Why can't you tell me so?  
I can't go through the motions  
I have to know  
If your heart isn't in it  
Why can't you tell me so?  
I can't go to the limit  
I have to know

If your heart  
Ooh, can't you tell me so?  
I have to know  
If your heart isn't it  
Why keep me hangin' on?  
Just tell me and I'll be gone  
Don't keep me hangin' on  
For dear life
