

## More More More

Atlantic Starr

Baby you know the nights are forever without you  
And I'm planning to make up for lost time  
So hold me, don't let go of me  
Let your love flow like never before  
Seems it's been a lifetime  
But you were worth waiting for  
Even after you give me your love

Give me more and more and more  
And more and more, I'll take all that you have  
Give me more and more and more  
And more and more, cos I never get enough of your love

Nobody knows what tomorrow may bring  
Baby so let's take advantage of the times we have  
So hold me, don't let go of me  
Let me fill you with all the love that I got  
Cos you are the find that I don't wanna ever lose  
Can't you see I stay hungry for you

Give me more and more and more  
And more and more, I'll take all that you have  
Give me more and more and more  
And more and more, cos I never get enough of your love, no, no

I love you tonight, I love you forever  
Can't imagine living here without you  
We can feel that this feeling's real  
We'll just keep pouring fuel on this red hot flame

So hold me, don't let go of me  
Let me fill you with all the love that I got  
Cos you are the find that I don't wanna ever lose  
Can't you see I stay hungry for you

Give me more and more and more  
And more and more, I'll take all that you have  
Give me more and more and more  
And more and more, cos I never get enough of your love  
No, no, no, no, ooh
