

The First Time We Fell In Love

Atlantic Starr

You know I won't forget the times we shared together
Holding hands and walking in the park
Sometimes we'll have to do it all again
We were so happy then, I have no regrets
Can't you tell from the look on my face
That I love you more today

The first time I looked into your eyes, I cried
Do you remember the first time we fell in love
You looked into my eyes, wiped the tears away
The first time, when we fell in love

Although sometime has passed I still remember
Just like it was yesterday, but time is moving fast
The love I have for you, time won't ever change
I'll always feel the same, now until the end
Memories we share will live forever
Deep inside my heart I know I'll never fall again

The first time I looked into your eyes, I cried
Do you remember the first time we fell in love
You looked into my eyes, wiped the tears away
The first time, when we fell in love

The first time I looked into your eyes, I cried
Do you remember the first time we fell in love, in love
You looked into my eyes, wiped the tears away
The first time, when we fell in love
Oh when we fell in love
