

Unconditional Love

Atlantic Starr

(Unconditional love, who knows what such a love is made of
Can anyone give unconditional love)

I love you truly
And that's all I want you to do for me
Open and purely
Is all that I ever ask you to be

But there's just one mistake
I'm not sure that I can take
And that's giving your love away

Unconditional love
Who knows what such a love is made of
Can anyone give unconditional love

I want you to be the man that you feel you need to be
I'd never keep you under lock and key
Cos I believe that a soul should be set free

But just as long as you live
Promise me you'll never give
Your heart to anyone, no

Unconditional love
Who knows what such a love is made of
Can anyone give unconditional love

I can be understanding about anything you need
Just don't tamper with our love I beg of you, I plead

(Unconditional love, is there such a thing
All I can do is give my heart to you
Cos I'm only human and that's all)

(Boy I'll never keep you under lock and key
Cos I truly believe that a soul should be set free)

Boy you know I love you
And I'll do anything for you
All I want you to be is true to me

Oh baby, I'm holding on to you for dear life
And as long as you don't give your love to anyone else
I'm gonna make you my wife, make you my wife

Let's pray together, that we'll stay together
We'll be together, together forever, we'll be together

Girl I really do love you
I love you too boy
I'm not sure how to give unconditional love
All I know is my love for you is true
My love for you is true
My love for you is true
Oh I'm gonna try all my life to do for you
All the things you want me to do

Oh as long as we keep our loving home
We'll never have any reason to roam, no
Let's pray together
Let's stay together
Together forever, we'll be together
Oh I really love you
I love you too
I want to stick around
I want to do all the things
You want me to do baby
I love you
I need you

(What is unconditional love
Only god knows for sure)
He knows for sure, hey
