## We Party Hearty

## **Atlantic Starr**

When we party, we party hearty When we boogie, we boogie-woogie When we party, we party hearty When we boogie, we boogie-woogie

Yeah, alright now, yeah Givin' invitations to everybody, yeah To come along with L.T.D. and party Forget any troubles that you might have Let yourself be free, get into the madness

Alright, yeah, I'm gonna go an' do that, do that, do that, do that Let's tear the roof off if we can, yeah Let's boogie down until the end

Hang up your hangups, they belong to yesterday Listen to the music that we playin' Because this song has been designed With the people who party in mind We've got a little thing for everyone to sing So clap your hands and make it funky

Hey yeah Hey yeah

When we party, we party hearty When we boogie, we boogie-woogie When we party, we party hearty When we boogie, we boogie-woogie

I don't think there's anything that's better, yeah Than a crowd of people singing, all together And it especially makes me feel so happy, yeah When you all join in and start to clap it

Because this song has been designed With the people who party in mind We've got a little thing for everyone to sing So clap your hands and make it funky

Hey yeah Hey yeah

When we party, we party hearty When we boogie, we boogie-woogie When we party, we party hearty When we boogie, we boogie-woogie

Alright, yeah, yeah, yeah Oh yeah

I don't think there's anything that's better, yeah Than a crowd of people singing all together And it especially makes me feel so happy, yeah When you all join in and start to clap it
