

# You Are My Shining Star

Atlantic Starr

Honey, you are my shining star  
Don't you go away, oh baby  
Wanna be right here where you are  
Til my dying day, yeah baby

So many have tried, tried to find a love like yours and mine  
Girl, don't you realise how you hypnotise  
Make me love you more each time, yeah baby

Honey I'll never leave you lonely  
Give my love to you only  
To you only, to you only

Honey, you are my shining star  
Don't you go away, no baby  
Wanna be right here where you are  
Til my dying day, yeah baby

Feels so good when we're lying here  
Next to each other lost in love, yeah baby  
Baby when we touch, I love you so much  
You're all I have with me now, yeah baby

Honey I'll never leave you lonely  
Give my love to you only  
To you only, to you only

Honey, you are my shining star  
Don't you go away girl, no baby  
Wanna be right here where you are  
Til my dying day, mmm

Honey, you are my shining star  
Don't you go away girl, no baby  
Wanna be right here where you are  
Til my dying day, mmm
