Don't Make a Scene

Atlas Genius

Well we're not wrong yet When we're safe in youth And it's on and on Our mistakes are true

Should we take the call When the sun gets low It's a long day coming If we see it all

I don't mean it was Good enough to pretend But it worked for a time That's close to the end

I'll be on my own 'cause I don't feel like myself and if she's falling down don't make a scene don't make a sound

If we're not wrong yet Am I safe in you? Can it all go on If mistakes are true

I don't mean it was Good enough to pretend But it worked for a time That's close to the end

I'll be on my own 'cause I don't feel like myself and if she's falling down don't make a scene don't make a sound

And I'll be on my own 'cause I don't feel like myself and if she's falling down don't make a scene don't make a sound
