

Mona Lisa

Atlas Sound

How many fantasies
Were interrupted by
A hundred galaxies
That were drifting by

The Mona Lisa's got you in awe
The Mona Lisa's got you in awe
The Mona Lisa's got you in awe
The Mona Lisa's got you in awe

How many apologies
Were interrupted by
Learning how to read
Looking at the sky

The Mona Lisa's got you in awe
The Mona Lisa's got you in awe
The Mona Lisa's got you in awe
The Mona Lisa's got you in awe

Your baby's sleeping, sleeping
Your baby's sleeping, sleeping
Your baby's sleeping, sleeping
Your baby's sleeping, sleeping
Sleeping, sleeping
Sleeping, sleeping...

Your baby's sleeping, sleeping
Your baby's sleeping, sleeping
Your baby's sleeping, sleeping
Sleeping, sleeping
Sleeping, sleeping...

How many fantasies
Were interrupted by
A thousand galaxies
Drifting slowing by

The Mona Lisa's got you in awe
The Mona Lisa's got you in awe
The Mona Lisa's got you in awe
The Mona Lisa's got you in awe
