

i wanted to live the life of a prince  
because I thought saints were born saints  
so indeed we didn't stand a chance  
insalubrious offshoots of nature  
with heart and mind of our own  
all the daughters all the sons  
taking centuries to unearth the creature  
heralding a stage  
where consciousness is higher  
taken through a costly process  
of success and failure  
i thought saints were born saints  
i looked in the dirt  
and found wisdom is learnt  
through a costly process  
of success and failure
