

Do What You Want

Atomic Kitten

I saw you standing alone across the crowded room
You look so fine oh baby
But I knew you wouldn't make the move
So what am I supposed to do with you
Looking but you just don't act
You gotta make your move
And it aint in the groove
Come on now baby don't hold back
So you gotta
Throw away your inhibitions
Come on and make the man's decision
Tell me now what is your ambition
Show me all the things that I've been missing

Do what you wanna
Say what you gotta
Be what you wanna be with me baby
Sooner or later your gonna have to
Do what you wanna do with me yeah

Out on the sidewalk
You're acting like you just come out there
Don't disappoint me baby
I know that you're concerned that you care

So you gotta
Throw away your inhibitions
Come on and make the man's decision
Tell me now what is your ambition
Show me all the things that I've been missing

Do what you wanna
Say what you gotta
Be what you wanna be with me baby
Sooner or later your gonna have to
Do what you wanna do with me yeah

When you gonna show me that you understand (please baby) (3x)
When you gonna treat me like your a man (Please baby) (2x)
Come on show ya now

Do what you wanna
Say what you gotta
Be what you wanna be with me baby
Sooner or later your gonna have to
Do what you wanna do with me yeah
(2x)

Do what you wanna (Do what you wanna)
Be what you wanna (be what you wanna)
Sooner or later your gonna have to
Do what you wanna do with me yeah
