

Get Real

Atomic Kitten

If You gotta learn to do that thing
Stand back cause it's obvious
And if you wanna see us dance and sing
Step off get on back of us

Oh baby let your back don't slip
Let it slide right down
Put it on your hip
oh baby let your back don't slip
Let it slide right down
get it on that tip

Get real (uh huh you know you gotta)
Make it real (uh huh You know)

And if you really wanna change the world
Step off cause you know you can
If you wanna know the difference between a boy and a girl
Step talk take it like a man

Oh baby let your back don't slip
Let it slide right down
Put it on your hip

Let it slide right down
