

# Last Goodbye

Atomic Kitten

1. Ain't no headlights on the road tonight  
Everybody here is sleeping tight  
Ain't nobody gonna find us here  
We'll disappear  
There's a dancer in the arms of love  
And he's dancing on the sky above  
And the truth is that we'll never know  
Where love will flow  
Aim high, shoot low  
We gotta aim high, shoot low baby

R: Ain't no headlights on the road tonight  
Ain't nobody here to make it right  
Cause we couldn't seem to find a way  
For love to stay  
If you had another night to give  
I would have another night to live  
But you're never gonna see me cry the last goodbye (Last goodbye)

2. Is it cloudy where you are tonight  
All there neon lights shining bright  
Are you looking for a place to stay  
To get away (don't get away)  
And the days are horses down the hill  
Running fast with no time to kill  
And the truth is that we'll never know  
Where love will flow  
Aim high, shoot low  
We gotta aim high, shoot low baby

R: Ain't no headlights on the road tonight  
Ain't nobody here to make it right  
Cause we couldn't seem to find a way  
For love to stay  
If you had another night to give  
I would have another night to live  
But you're never gonna see me cry the last goodbye

\*: If I could do it over  
I'd do it all again (over again)  
And if I got one more chance  
I wouldn't change a thing  
Aim high, shoot low  
Aim high, shoot low...

R: Ain't no headlights on the road tonight  
Ain't nobody here to make it right  
Cause we couldn't seem to find a way  
For love to stay  
If you had another night to give  
I would have another night to live  
But you're never gonna see me cry the last goodbye
