

Someone like Me

Atomic Kitten

Don't let your head rule your heart
don't let your world be torn apart
don't keep it all to yourself
just let all your emotions run free
with someone like me
that's the way it should be
someone like me

I know it's hard
when your feelin' down
to lift your feet up off the ground
we make mistakes
but does'em everybody
you don't always have to agree
with someone like me
thats the way it should be
someone like me

We know the story so far
(What you want and who you are)
what you want and who you are (free)
let all your emotions run free
you don't always have to agree
with someone like me
that's the way it should be
someone like me
someone like me
