Streets

Atomic Rooster

Seven Lonely Streets, Walking All Alone. Never Needing No One, Always On My Own. Since I Left The World, To Live My Own Way, People I Don't See, No One's In My Day.

In My Sleep I hear, But My Eyes Can't See Photos Of My Past, Of My Life To Be. Ear Faced To The Wind To See All I Can Hear, The Days Would Be So Long, Seven Streets I Fear.

Seven Lonely Streets I'm Walking All On My Own.

Seven Days I Weep, Oh All Alone, So All Alone. Seven Lonely Streets, On My Own.

Seven Lonely Streets, Walking All Alone. Never Needing No One, Always On My Own. Since I Left The World, To Live My Own Way, People I Don't See, No One's In My Day.

Seven Lonely Streets, I'm Walking All Alone. Seven Days I Plead, All On My Own.
