

# Congregation of the Damned

Atreyu

I'm going to give this monster life,  
I may not have the pieces.  
I'll keep on going through the night,  
To see you all left screaming.

Face-to-face,  
The congregation of the damned.  
Face-to-face,  
Screaming while we can.

I get carried away,  
Lost in a moment,  
Torn into pieces,  
Of violent display.  
I tear it away,  
Lost in a moment,  
Searching for answers,  
I'm lost in the fray.

This life's a case,  
Of do or die,  
Sometimes I need no reason,  
To lose myself,  
In you tonight,  
Right now's the darker season.

Face-to-face,  
The congregation of the damned.  
Face-to-face,  
Screaming while we can.

I get carried away,  
Lost in a moment,  
Torn into pieces,  
Of violent display.  
I tear it away,  
Lost in a moment,  
Searching for answers,  
I'm lost in the fray.

The congregation of the damned!  
The congregation of the damned!

Face-to-face,  
The congregation of the damned.  
Face-to-face,  
We're all,  
Screaming while we can.

I get carried away,  
Lost in a moment,  
Torn into pieces,  
Of violent display.  
I tear it away,  
Lost in a moment,  
Searching for answers,  
I'm lost in the fray.

I tear it away,  
Lost in a moment,  
Searching for answers,  
I'm lost in the fray.

I get carried away,  
Lost in a moment,  
Torn into pieces,  
Of violent display.  
I tear it away,  
Lost in a moment,  
Searching for answers,  
I'm lost in the fray.
