

Ex's and Oh's

Atreyu

You took me home
I drank too much
Cause of you my liver turned to dust
Cold rust taste, cold creeping cold pain
Do you understand what I mean?
When you feel your soul drop to the floor
Like a hole like an open bleeding sore
Then you'll have bled like I've bled
Then you'll have wept as I've wept

Suck me down, it's time to rock and roll
Let's hit the bar, let's lose control
One false move; you took me home
One false move; you're all alone

But it looks so good and it feels so nice
I've paid my price
I'll cut you out just to hear you scream:
"Get away from, get away from me".
And I can feel my heart beat racing
As I realize what I must do
Get away from, get away from, get away from you.

Should've turned around like hell
Last time I got a taste of you
I should've turned and ran like hell
And I say we're through
Should've turned around like hell
Last time I got a taste of you
I should've turned and ran like hell
And I say we're through
And I say we're through

You fell upon me, like a plague
Weakness, sweet weakness
But I digress
After all this...
You're just like all the rest

Suck me down, it's time to rock and roll
Let's hit the bar, let's lose control
One false move; you took me home
One false move; you're all alone
