

Twelve Year Sentence

Atrocity Solution

One day I'm gonna snap and kill everyone
In this prison full of the ones we shun
12 years of hell its only just begun
On to college look at what the beginning has done
Look me in the eye and tell me I'm not insane
Is it me or is this school fucking to blame
I need the rope to end this insanity
This is the price to pass
For killing someones dream

Rot away another day
Never hear a word you say
Rot away another day
Never paid off anyway
Rot away another day
Same old shit different day
Gets your c's and tell me please
What good is it to rot away in school
Only a fool would rot away in school
