

# Deliverance

## Atrocity

Frozen minded out of the ashes  
see my face in the dust

Manic structures, human madness  
apocalyptic trance

The battle rages from day to day  
endless night begins  
darkened landscape, left behind  
saturated with blood

All life is lost - in misery  
upon the earth - storm rages on  
into nothingness - crimson rain covers the earth  
impure mankind - perished in pain but still raising the dead

Wasted genius and wasted land  
how great was your gain?  
the answer is: self-importance  
never ask for forgiveness

All life is lost - in misery  
no one cares - when the reaper laughs:  
"into my world - i guide your life to eternity  
sorrow and sadness - pain is the law  
and love is the crime"

Deliverance!

Depth of terror, depth of horror  
lost edeen pays its' price  
perveyor of distress, from the abyss  
thy willl be done!  
impure mankind - the lost chapter is over now!  
into nothingness - nothing is gained, nothing is earned!

Deliverance!  
"come to my world!"  
deliverance! ...from mankind!

The battle of the masses  
rages day and night  
earth reduced to ashes  
the fire that burned the eyes  
"and i was a new heaven,  
i saw a new earth"  
this place won't be given  
for a second impure birth

Deliverance!  
"come to my world"  
deliverance! ...from mankind!
