

Hey, two little twins
hey, were born to live
hey, two lives in one lifetime

Haltet meine Hände, Schwestern,
haltet meinen Kopf
Ich fühle mich, als wär's noch gestern,
weil mein Herz so klopft

These sweet Geminian sisters
will certainly get into my heart
These two Geminian sisters
they're living two lives in one

Hey, is it a game?
hey, a new way of love?
hey, two souls in one lifetime

Zeigt mir Eure geheimen Spiele
Zeigt mir Eure Welt
Ich kann es sehr deutlich spüren
wie es mir gefällt

These sweet Geminian sisters
will certainly get into my heart
These two Geminian sisters
they're living two lives in one

They're living two lives in one

They're living two lives in one

These sweet Geminian sisters
will certainly get into my heart
These two Geminian sisters
they're living two lives in one
