

Miss Directed

Atrocity

Neon lights, erecting sight
Welcome to the flesh-bemal scene
XXX Psychopaths
Going for nother aim
Control me, dominate me
Entering the pits of Mistress D.
Walking through the chamber-light
Tonight is Miss Directed-night
Miss Directed, Miss Directed, please me
Miss Directed, Miss Directed, teach me, how
Oh my tough feather queen
I lick your Makepeace submissively
Groveling before a dungeon-chain
Absurb wishes of se**** pain
Show me methods of torturing
Sadistic lessons all I need
You hurt me, you whip me
You give me just everything
Miss Diorected, Miss Directed, lease me
Miss Directed, Miss Directed, teach me
Miss Directed from behind, Miss Directed all the night
Miss Directed bring me up
