

# People Are People

## Atrocity

People are people, so why should it be  
You and I should get along so awfully  
People are people, so why should it be  
You and I should get along so awfully

So we're different colours, and we're different creeds  
And different people have different needs  
It's obvious you hate me, though I've done nothing wrong  
I've never even met you, so what could I have done?

I can't understand  
What makes a man  
Hate another man  
Help me understand

People are people, so why should it be  
You and I should get along so awfully  
People are people, so why should it be  
You and I should get along so awfully

Now you're punching and you're kicking and you're shouting at me  
I'm relying on your common decency  
So far it hasn't surfaced, but I'm sure it exists  
It just take a while to travel from your head to your fist

I can't understand  
What makes a man  
Hate another man  
Help me understand

People are people, so why should it be  
You and I should get along so awfully  
People are people, so why should it be  
You and I should get along so awfully

I can't understand  
What makes a man  
Hate another man  
Help me understand

I can't understand  
What makes a man  
Hate another man  
Help me understand

I can't understand  
What makes a man  
Hate another man  
Help me understand

I can't understand  
What makes a man  
Hate another man  
Help me understand

I can't understand  
What makes a man

Hate another man  
Help me understand

I can't understand  
What makes a man  
Hate another man  
Help me understand
