Such A Shame

Such a shame to believe in escape 'A life on every face' And that's a change Till I'm finally left with an eight Tell me to relax, I just stare Maybe I don't know if I should change A feeling that we share It's a shame Such a shame Number me with rage It's a shame Such a shame Number me in haste Such a shame This eagerness to change It's a shame The dice decide my fate And that's a shame In these trembling hands my faith Tells me to react, 'I don't care' Maybe it's unkind that I should change A feeling that we share It's a shame Such a shame Number me with rage It's a shame Such a shame Number me in haste Such a shame This eagerness to change Such a shame Tell me to relax, I just stare Maybe I don't know if I should change A feeling that we share It's a shame Such a shame Number me with rage It's a shame Such a shame Number me in haste It's a shame Such a shame Write it across my name It's a shame Such a shame Number me in haste Such a shame This eagerness to change Such a shame
