

Party Foul

Attack Attack!

You lied to me,
you tried to be,
everything I would want,
but everything you couldn't be.

The two worlds that you have made,
have suddenly collided,
so you'll have the chance to lead,
a new life...

Everything that I would want,
everything you couldn't be.

This is your cop-out to your life,
I will be the end of everything you love,
It rips my heart out and I cant take anymore,
heart out, I'm lying on the floor.

I can't, I can't believe this,
I can't, I can't believe this,
I can't, I can't believe this
I can't, believe this is happening,

I can't believe that this is happening to me,
I thought that you would be, everything I need.

The two worlds that you have made,
have suddenly collided,
so you'll have the chance to lead,
a new life...

You want me back,
now that I'm on,
my own, again!
