

# I Am Sinn

Attacker

Face your hate  
Face your fate  
Bleed your tears  
Bleed your fears

A secret knock  
A new world to enter  
A secret knock  
Hatred has won

Awake slowly rise  
Decide agonize  
Shrouds of dirt  
Shrouds of poison

Enter the light, come from your darkness  
Nothing you do will set me free  
Enter my earth, gather your zealots  
Nothing you say can make me see

Create, decimate  
That's who I am  
Who am I?  
I am sinn
