

Demon

Attak

Verse 1

The demon in me will rise again
And I feel the power and I feel the pain
Under pressure gotta get away
Gotta break away I'm not here to stay

Verse 2

The demon in me has rose again
And I like the power and I like the pain
Stand the pressure gonna take away
Your right to live your right to stay

Verse 3

Keep the rules stay by Satan's laws
Reach from hell with powerful claws
Distorted view through bloodshot eyes
Another sacrifice and someone dies
