Mangled

Attica Blues

It's just a broken dream It's just a broken dream One of the endless promises It's just a broken dream It's just a broken dream It's just a broken dream One of the endless promises It's just a broken dream It's just a broken dream It's just a broken dream One of the endless promises It's just a broken dream It's just a broken dream It's just a broken dream One of the endless promises It's just a broken dream
