What Do You Want

Attica Blues

Know you as a jet black angel Watching over me like cctv 24/7 you see everything 365 and i'm no mastermind

Dealt with mood swings mad behavior Controlling me like you own me Feels like it's your world i just live here 365 and it's bad comprimise

I want to know x2

Am i what you want or am i what you need x2

Patience wearing sent to test me Pressure building mercury rising Feels close to overload, feels close to overload 365

I want to know x2 I wanna know

Am i what you want or am i what you need x4

What do you want x2 Am i what you want x2
