living your life without an ounce of time
agreeing with everything, never asking why
this is our anthem, that is your life
everything else is for you to decide
deciiiiiiiiiiiiiide

false words control this world
much like the things you've heard
false words control this world
much like the things you've heard

FORGET EVERYTHING YOU'VE HEARD!!!

the prisoners have broken down the walls
and now is your time to escape
everybodys lost their sanity
and the women are all screaming rape
don't lose your chance

DON'T LOSE YOUR CHANCE!
YEAHHHHHHHHHHHHHHHHHHH!
