

Hey kids, gimme all you're fuckin money. got a hundred macbooks and I swear I'm not a druggie. I'm on that real shit, now it's time to get pissed. if you get offended, fuck you, suck my dick. they say she said they caught love with her fans, but their fake and lie is all

Apart of the plan. the scene is playing fucking gimmicks and lies and you're a god damn fool if you trust a disguise. even ronnie radke talks shit on my instagram, gimme your address so I can hit you with a mic stand, send me a letter about the guys that you blew, and that

Faggot you buttfucked his name is christopher drew. how can you talk down on your biggest fan, you're carrer is on it's way to the garbage can. I'm a multitasking badass and you're a disgrace. watch me laughing my ass off while I'm pissing in your face. uh. the ladies love Me cause I always fuck em' good, flip 'em over do the tongue trick and treat 'em with the big dick. my name is always in the headlines stirring up your kids minds. check it. if you hate gay people you should get your ass beat. you're a close minded faggot bitch kiss My feet. I don't live for tomorrow and fuck for today, I tried to pray to god but I'm too busy gettin paid... they say she said they caught love with her fans, but their fake and lie is all apart of the plan. the scene is playing fucking gimmicks and lies and you're a god Damn fool if you trust a disguise... they say she said they caught love with her fans, but their fake and lie is all apart of the plan. the scene is playing fucking gimmicks and lies and everybody is fucking gay. now that everybody know the _?_ that haters done faught. Start a motherfucking riot but you love it but you can't deny it. fuck the world. everyone sells meth. bitch you never give a fuck about your problems, read a book and fucking solve them. quit you motherfucking people full of lies and attention and be about it. eat my shit. It all betrays you give a fuck about it. hey westboro basptist. fuck you too, come and protest this dick. faggots.
