

## What Would Chuck Norris Do

Attila

Discooordination will make the last of you  
Your bad reputation will follow every thing you do  
What would Chuck Norris do?  
A swift kick to the face should put you through  
The world is spinning  
The world is spinning round and round  
My life's a movie with a never ending plot  
And you will see  
What you've done to me!  
And you will see  
What you've done to me!  
So just open your eyes  
YOU'RE NOT COMING HOME!  
YOU ASS HAS SEEN BETTER DAYS!
