

It's Obvious

Au Pairs

Nowadays it's nice
It's paradise

Equal time
Equal spending
Yes it's nice
It's paradise

Nowadays you cook eggs
Equal breakfast
And again and
Bet it's nice

You're equal but different
It's obvious

Spending time nowadays
By my side
That's oh so nice
And again with you
It's equal nice
It's paradise

Nowadays you wash sheets
Send a buck
Scrub my back for me
That's paradise

You're equal but different
It's obvious

Spending time nowadays
By my side
That's oh so nice
And again with you
It's equal nice
It's paradise

Nowadays you wash sheets
Send a buck
Scrub my back for me
That's paradise

You're equal
But different

You're equal but different
It's obvious
So obvious
