

Lost and Found

Auburn

I was so lost
But Lord you found me
Dusted me off
Now your angels surround me

Looking at the world in front of me
Saying now that's where I want to be
Knowing they looking down on me
And what they expect of me
Why they make fun of the cross on my necklace
I feel so helpless My life is reckless
On the in I seen her cry. On the out my eyes are dry

I was so lost
But Lord you found me
Dusted me off
Now your angels surround me
I know you knew something new would pull through
And Lord I am so sorry that I ever doubted you

I know that I promised Lord that I'd pray
That when you needed me I'll be there
I know I done a lot of things I wish I never did
Knowing there's no greater sin than the other
Hurting my brother, whom I would smother
With all the pain surrounding me
I was so blind but now I see

I was so lost
But Lord you found me
Dusted me off
Now your angels surround me
I know you knew something new would pull through
And Lord I am so sorry that I ever doubted you

I was so lost but
Lord you found me
Dusted me off
Now your angels surround me
I know you knew something new would pull through and Lord
I'm sorry that I ever doubted you (I ever doubted youuuuu)

I was so lost
But Lord you found me
Dusted me off
Now your angels surround me
I know you knew something new would pull through
And Lord I am so sorry that I ever doubted you
