

Beautiful

Audio Adrenaline

We got music to soothe your soul
We're gonna get down with a little bit of rock and roll
We got rhythm to move your feet
We're gonna make you get up off your seat
When I lift You up they come running
When I sing Your song the world's turning to You
Just the sound of Your name is a beautiful thing
I love You, I love You, I love You
Your name is, beautiful
It drips off my lips like drops of gold
It makes me want to dance
It's my fortune, my deliverance
