

## Jesus Movement

### Audio Adrenaline

Have you ever been so inclined  
Yeah, is it on your mind  
The thought we're the Lord's lone protege  
Well I thought we were the only hope  
Yeah, the world's safety rope  
Americana has come, come to save the day  
Imagine my surprise  
To realize

Everywhere I go I can see  
I'm not the only one  
Moving moving to Jesus

I went down to Mexico  
Mi amigo  
And I found Jesus living outside the USA  
Imagine my surprise To realize
