

## Man of God

Audio Adrenaline

Sometimes I'm a liar sometimes I'm a fake  
sometimes I'm a hypocrite that everybody hates  
sometimes I'm a poet sometimes I'm a preacher  
sometimes I watch life go by sitting on the bleacher

But I've never been left alone  
in any problem that I've known  
even though I'm to blame  
there were times when things were dark  
and I've been known to miss the mark  
but someone fixed my aim

Sometimes I'm a man of God  
sometimes I'm alright  
sometimes I lay down close my eyes  
and pray to God

Sometimes I don't feel good  
it's hard to start the day  
it's hard to climb the obstacles  
that sometimes come my way  
if I make it, I'm a good man  
am I a bad man if I fail?  
I know I'm never good enough  
so I let grace prevail

But I've never been left alone  
in any problem that I've known  
even though I'm to blame  
there were times when things were dark  
and I've been known to miss the mark  
but someone fixed my aim

Sometimes I'm a man of God  
sometimes I'm alright  
sometimes I lay down close my eyes  
and pray to God I'm ready for the night
