

Pierced

R: Make me, take me, break me, I am pierced
Make me, take me, break me, I am pierced

Though I am wounded and unworthy
Though I am selfish and untrue
You are holy, You're the healer
You forgave me and made me new
Made me new

R:

Oh, this love, how can it be
That my God would die for me
For my sins, His wounds did bleed
Jesus, you were pierced for me
