

## Pierced

### Audio Adrenaline

R: Make me, take me, break me, I am pierced  
Make me, take me, break me, I am pierced

Though I am wounded and unworthy  
Though I am selfish and untrue  
You are holy, You're the healer  
You forgave me and made me new  
Made me new

R:

Oh, this love, how can it be  
That my God would die for me  
For my sins, His wounds did bleed  
Jesus, you were pierced for me

R: (3x)
