I will follow wherever you lead me Wherever you are underneith these stars is where I wanna be And I will lay it down, this old life of mine I leave behind all the things of the world just to follow you

I'll be strong and courageous I'll live my life for You, my only King 'cause You're my God through all the ages Here am I, I am Yours, send me

When I fall down and I'm broken When I strumble on the rocks and lose my way I will cling to Your eternal love When I'm weak You come to me, You give me strength

I will follow wherever you lead me Wherever you are underneith these stars is where I want to be

Here am I, I am yours, send me Here am I, I am yours, send me
