

Undefeated

Audio Adrenaline

Like a band of gypsies
We go rolling down the highway
I've come a long way riding with my friends
They stand beside me
When the world's not going my way
We may be losers but we're winners in the end

We are undefeated
And we're still believing
In the one thing that has gotten us this far
And we can't be beaten and we're standing on shoulders of the ones who went before us
And we're fighting back with love

Trouble always finds me
Everywhere that I go
A cloud above me
Like a kite upon a string
Here in the valley, the valley
I know there is a mountain top
Where I can stand and sing

Love conquers all
