

# Undefeated

Audio Adrenaline

Like a band of gypsies  
We go rolling down the highway  
I've come a long way riding with my friends  
They stand beside me  
When the world's not going my way  
We may be losers but we're winners in the end

We are undefeated  
And we're still believing  
In the one thing that has gotten us this far  
And we can't be beaten and we're standing on shoulders of the ones who went before us  
And we're fighting back with love

Trouble always finds me  
Everywhere that I go  
A cloud above me  
Like a kite upon a string  
Here in the valley, the valley  
I know there is a mountain top  
Where I can stand and sing

Love conquers all
