Undefeated

Audio Adrenaline

Like a band of gypsies We go rolling down the highway I've come a long way riding with my friends They stand beside me When the world's not going my way We may be losers but we're winners in the end

We are undefeated And we're still believing In the one thing that has gotten us this far And we can't be beaten and we're standing on shoulders of the o nes who went before us And we're fighting back with love

Trouble always finds me Everywhere that I go A cloud above me Like a kite upon a string Here in the valley, the valley I know there is a mountain top Where I can stand and sing

Love conquers all
