

# Who Do You Love

Audio Adrenaline

Who do ya who do ya love love love  
Do you love me  
Where do ya where do ya hide your heart  
Do you hide it with me

Love love love  
That's what the world  
And the people are in search of  
Lovey dovey turtle dovey  
Everybody's looking for that warm fuzzy  
More more galore  
A homemade king but ya still want more  
Loot to boot  
Living large and your life's a hoot

Who do ya who do ya love love love  
Do you love me  
Where do ya where do ya hide your heart  
Do you hide it with me

Love love love  
Love God far above you love  
Yourself your car your girl  
Your job your friends your house  
Your world your life  
Life life livin  
The only true life  
Is the act of giving yourself  
In true devotion  
Much much more than a romantic notion

Do do do ya love me  
Love love love me do  
Who do ya who do ya love love love  
Do you love me

Who ya gonna give your heart to  
To the glory or the flame  
Who ya gonna praise forever  
Wordly treasures or Jesus' name

Who do ya who do ya love love love  
Do you love me  
Where do ya where do ya hide your heart  
Do you hide it with me  
Do do do ya love me  
Love love love me do  
Who do ya who do ya love love love  
Do you love me
