

Feel Alright

Audio Bullys

I, I'm in my mode
While I am driving down the hallway road
I said I, I'm ok
You ain't moving in my sunny days

I feel alright
I don't need to worry about nothing
I feel alright now I got no cares in the world

I said I feel alright

I said I'm alright
Ain't nothing I need to worry tonight

I said man, I'm ok
You ain't ruining my sunny daze

I feel alright
I don't need to worry about nothing
I feel alright now I got no cares in the world

I said I feel alright
