

We Don't Care

Audio Bullys

There's things I haven't told you
I go out late at night
And I was to tell you
You'd see my different side

There's things I haven't told you
I go out late at night
And I was to tell you
You'd see my different side

There's things I haven't told you
I go out late at night
And I was to tell you
You'd see my different side

There's things I haven't told you
I go out late at night
And I was to tell you
You'd see my different side

There's things I haven't told you
I go out late at night
And I was to tell you
You'd see my different side

What the fuck?!

We don't care
What you say
I'm a do my thing
From day to day
(Get it?)

We don't care
What you think
'Cause in this world
It's Swim-or-Sink
(What the fuck?)
