[Price Tag:]

Now when it come to the jerk

We got the potion

They see the push

And leave they suckers open

I'm rejected it might leave my back broken

Now tell me if you can jerk in slow motion

Like this, you know that my truth stick

I'm sure you see my whole squad with them clean whips

Now watch me clean dip

You see the clean kicks

Try to jerk like me

I guarantee it'll leave your jeans ripped

Pause, drop, go, stop

I let my chain bang, gang swang, go watch

Girls tell me when I jerk I look so hot

Cause' I be jerkin' like I'm tryna

Make the boat rock

We killin' the game but we hurt in the street

They say that push on fire

We work in the heat

So if ya tryna do the dance

Work with your feet

Rock slow, drop low, and jerk to the beat like

[Chorus]
