[Price Tag:]

Now when it come to the jerk
We got the potion
They see the push
And leave they suckers open
I'm rejected it might leave my back broken
Now tell me if you can jerk in slow motion
Like this, you know that my truth stick
I'm sure you see my whole squad with them clean whips
Now watch me clean dip
You see the clean kicks
Try to jerk like me
I guarantee it'll leave your jeans ripped
Pause, drop, go, stop
I let my chain bang, gang swang, go watch
Girls tell me when I jerk I look so hot
Cause' I be jerkin' like I'm tryna
Make the boat rock
We killin' the game but we hurt in the street
They say that push on fire
We work in the heat
So if ya tryna do the dance
Work with your feet
Rock slow, drop low, and jerk to the beat like

[Chorus]
