1. You give me a heart attack
 You look like the summertime
 You call me an artifact
 But I'll save that for another time
 I could be rich or poor
 I don't need anymore

Keep your love inside the kitchen You can feed me anything Leave the feathers on the chicken Peel the leather from your skin I can be young or old Sweet or sad, hot or cold

- R: Man or animal, I don't care at all Find the antidote underneath the dose Man or animal, obidient out of control
- 2. I will love you more than money I will breathe you in the smoke I will drink you in my honey Sweet and golden down my throat When you're right, when you're wrong Head is near, eyes are gone

You can drown my appetite
I will sip your tears at night
You can tie me to a chair
Skin and bones, I don't care
I could be rich or poor
I don't need anymore

R: Man or animal...

(solo)

R: Man or animal...

You give me a heart attack
I will give you more than that
You give me a heart attack
I will give you more than that
