

Shadow On The Sun

Audioslave

Once upon a time
I was on a mind to lay your burden down
And leave you where you stood
You believed I could
You'd seen it done before
I could read your thoughts
And tell you what you saw
And never say a word
But now that is gone
Over with and done
And never to return

I can tell you why
People die alone
I can tell you why
The shadow on the sun

Staring at the loss
Looking for the cause
And never really sure
Nothing but a hole
To live without a soul
And nothing to be learned

I can tell you why
People go insane
I can show you how
You could do the same
I can tell you why
The end will never come
I can tell you on
The shadow on the sun!!!
