

# Show Me How To Live Version 3

Audioslave

1. And with the early dawn  
Moving right along  
I couldn't buy an eyeful of sleep  
And in the aching night  
Under satellites  
I was not received  
Build with stolen parts  
A telephone in my heart  
Someone get me a priest  
  
To put my mind to bed  
This ringing in my head  
Is this a cure or is this a disease?

R: Nail in my head  
From my creator  
You gave me life now  
Now show me how to live  
Nail in my hand  
From my creator  
You gave me life now  
Now show me how to live

2. And in the after birth  
On the quiet earth  
Let the stains remind you  
You thought you made a man  
You better think again  
Before my role defines you

R: Nail in my head...

\*: And in your waiting hands I will land  
And roll out my skin  
And in your final hours I will stand  
Ready to begin (4x)

R: Nail in my head...
